

Prayer Experience

You will be divided into groups for this experience.

Part One: My Friends Need Christ.

Using the supplied Cause Circles from Dare2Share.org, write the names of three friends that you know need Christ on the lines above the word “pray”. Tape the Cause Circle to the wall. Make a copy to take with you and place in a visible place at home, so you will continue to pray for them regularly. As you Pursue them with the message of the Gospel, and Persuade them to join you in sharing Christ with others, move their names to the other lines.

Part Two: Hands and Feet

We all see opportunities that we miss to serve others in the name of Christ. Ask God for His forgiveness for failing to see these opportunities

In your group, brainstorm at least two ways each person in your group can serve another person in the next 24 hours. Write your choice on your paper and the large piece of paper with your name. Next week we will share what happened.

Part Three: The World Needs Christ

Choose one of the supplied people groups from the Joshua Project (joshuaproject.net) spend time in your group reading the profile about the people group and pray for the needs and challenges listed for taking the Gospel to that specific people group.

Part Four: Clean Hands

Read Psalm 24:1-10.

Using the Bowl of Water and supplied towels, wash your hands as a symbolic act of “coming clean before God”. Confess to Him. Praise Him.

Ask Him to forgive you of what prevents you of living a pure life before Him.
